Unknown : Spinning Wheel: A National Magazine About Antiques, December 1965 before purchasing it in order to gage whether or not it would be worth my time, and all praised Spinning Wheel: A National Magazine About Antiques, December 1965:

GOOD copy of Nov. 1965 issue. This is NOT December. Cover features an illustration of "An American ice Harvesting Scene," based on a lake where ice was commercially cut in the 1800's. Green background. This is the 250th consecutive issue. Clean, unmarked internals, apart from previous owner's mailing address on back, dating to 1966. Increasingly uncommon-to-find! Will mail out within 12 hrs. of payment confirmation.
