**Jo Frohbieter-Mueller : Stained Glass Miniature Village** before purchasing it in order to gage whether or not it would be worth my time, and all praised Stained Glass Miniature Village:

0 of 0 people found the following review helpful. Great book for the first time glass house builder!By CherylEasy directions. A great book to start a glass house building phase. Not as much detail as other books, which is perfect for the first time. You won't get discouraged and will end up with a great looking stained glass village at the end!
